

CORPORATE SPONSORSHIP PACKET

Mission

The GardenWorks Project empowers, educates, and promotes organic suburban agriculture to improve the wellbeing of our environment, community, and families facing food insecurity. We support all gardeners in their efforts to grow and prepare food for themselves and their neighbors in need.

Vision

Our community nourished by gardeners empowered to grow and share food.

Neighbors Helping Neighbors

The Value of Corporate Sponsorships

The GardenWorks Project was founded on the principle of "neighbors helping neighbors". Sponsorship opportunities are available throughout the year and allow businesses to invest in the community through our work towards food security. Corporate volunteer events are also available and provide tangible ways for companies to join in the fight against hunger as a team. Over 2,000 volunteer hours are donated annually by our local community. Gardenworks is a 501(c)(3) nonprofit organization, so all sponsorships are tax deductible.

“

A grassroots organization that helps others find both nourishment and satisfaction in gardening... what better cause could you support? If we can help one more person find that nourishment, either for the belly or the soul, it is the least we can do as a local business.

Eric, Bruss Landscaping (Wheaton)

”
